Note: All available-to-all gender-neutral washrooms in **EV**, **GM** and **MB** are locked behind student card readers, and are as such unavailable to visitors.

Annexes often have limited opening hours, and are not accessible to wheelchair users or people with motor accessibility accommodation needs.

No data is currently available for **SB**. More data will be collected over time and added to both the list and the map.

Special mention: **Le Frigo Vert**, found at **1440 Mackay** (across from LB), has a gender-neutral public bathroom that is fully accessible and stocked with safer sex, harm redux and drug use supplies. This washroom may be used without buying anything.

This document will be revised as more and more gender-neutral bathrooms get added to the Sir George Williams campus.
